## What Is Christianity? **E** The Last Writings | Benedict XVI

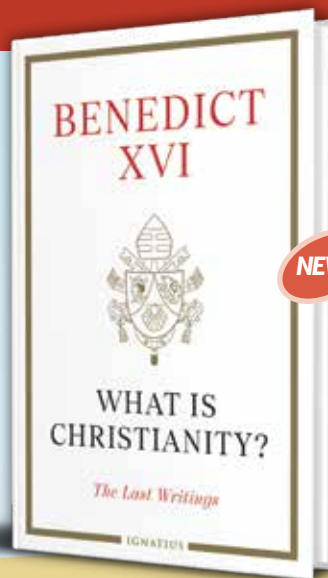

After Pope Emeritus Benedict XVI resigned from the papacy in 2013, he never stopped thinking or writing. Near the end of his life, he and editor Elio Guerriero gathered together a whole volume of new material. The pope asked that it be published upon his death.

This final work is *What Is Christianity?* It takes up a kaleidoscopic array of themes: the Christian faith's relationship with other religions, especially Judaism and Islam; the theology and reform of the liturgy; the priesthood; the saints; the Eucharist; the travesty of abuse; the

beauty of nature; Italian and German culture; and much more.

A lifelong Catholic, the late pope pays tribute to some of the giant figures of Christianity who have served him through the years as guiding stars: his predecessor Pope John Paul II, the twentieth-century German Jesuit martyr Alfred Delp, and the silent carpenter Joseph, his patron saint.

**WCSTH • 230 pp, Sewn Hardcover, \$24.95**

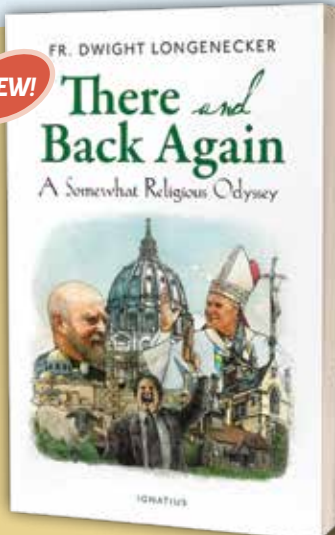

“The texts collected in this volume—in their clarity of expression, fecundity of style, and depth of insight—remind us how much we miss Pope Benedict XVI.”

— **Bishop Robert Barron**, Winona-Rochester Diocese; Founder, Word on Fire Catholic Ministries

“Father Dwight has written one of the most comedic conversion stories I’ve ever read. His thoroughly enjoyable autobiography is a rollicking read. Best read wearing a smoking jacket, with pipe and scotch in hand.”

— **Marcus Grodi**, Host, EWTN’s *The Journey Home*

## There and Back Again **E** A Somewhat Religious Odyssey | Fr. Dwight Longenecker

Brought up in an Evangelical Protestant home, Dwight Longenecker attended the fundamentalist Bob Jones University, and continued his education by studying theology at Oxford University before being ordained as an Anglican minister, serving as a curate, a school chaplain in Cambridge, and a country parson on the Isle of Wight.

Realizing that he and the Anglican Church were on divergent paths, in 1995 Longenecker and his family were received into the Catholic Church in England. For ten years they continued

to live in England where he worked as a freelance writer and charity worker. Then in 2006 the door opened to return to the United States and be ordained as a Catholic priest.

This story of one man’s amazing journey from Protestant fundamentalism through the Church of England to the Catholic priesthood offers an inspiring tale of God’s providence, and the truth that “all things work together for good to those who love God and are called according to his purpose.”

## Pondering the Permanent Things **E** Thomas Howard Foreword by Peter Kreeft

According to the late Professor Thomas Howard, the poet and the prophet both speak a loud voice against the tide of secularism and eventual destruction. Yet how does this work? How does myth convey truth? How does architecture reflect eternal verities? How does the written word humanize and sanctify us? What treasure and stability does an ancient faith hold for the unsettled modern mind?

Howard spent his life answering these questions. Christians of all walks of life will appreciate his witty, devout, and cutting observations on faith, art, and the incarnation of Christ. In this volume, readers will also encounter beloved teachers, writers, and friends who influenced Howard’s theological imagination, including C. S. Lewis and T. S. Eliot.

## Genesis A Bible Study Guide and Commentary E

Stephen K. Ray

Everything in the Bible—and in the Catholic Church—starts with the Book of Genesis. The Greek word genesis means “beginning”, and this inspired text reveals to us not only our origins, but our purpose, our meaning, and God’s plan for mankind.

Yet Genesis can be daunting, especially given the scientific discoveries of the last few centuries. Stephen K. Ray, author of *Crossing the Tiber*, breaks down this sacred and

## The New Relativism Unmasking the Philosophy of Today’s Woke Moralists

Karlo Broussard

Do you remember when relativism was the nemesis of Christians and all people of right reason? This idea that “you have your truth and I have mine” was so pervasive and insidious that Pope Benedict XVI warned it was a “dictatorship” that threatened all our freedoms.

Then, seemingly overnight, we’re being told that it’s not a problem anymore. Why? Because in today’s “woke” world, most people are now moralists, not relativists. They impose a litany of new, seemingly absolute “commandments” to make sure we’re never racist, sexist, judgmental, bigoted, “anti-science,” or a host of other deplorable things. So, relativism must be dead; yesterday’s news.

Not so fast, says Karlo Broussard in *The New Relativism*. The dictatorship of relativism isn’t dead; it’s just hiding—behind the mask of woke moralism. Scratch these modern commandments we’re supposed to live by, and lurking underneath you’ll find the same basic errors of relativism: mutated into new forms, perhaps, but no less dangerous to our world and our faith.

## How the Church Has Changed the World, Vol. 4

Anthony Esolen

The latest volume in this popular series, this book includes 24 essays originally published by *Magnificat* (January 2020–December 2021) that will give you a new appreciation for the Church and her mission in the world.

Did you know . . .

- That a woman led the search for the true cross?
- That a young girl survived the Nazis to champion life as a doctor?
- That two priests who demanded ethical treatment of natives in Spanish colonies used radically different methods?
- That the Church elevated the mosaic to an art form that expresses God’s majesty?
- And much more . . .

Professor Esolen’s engaging style is as captivating as it is eye-opening.

## The Lord

### Romano Guardini Introduction by Benedict XVI

This classic work is the most complete and in-depth telling of the life of Christ—his life and times, in historical context, but not lacking the psychology behind his physical being and spirit. Unlike other books seeking to strip Jesus' story to reveal only the human being, Romano Guardini's *The Lord* gives the complete story of Jesus Christ—as man, and as God. Pope Benedict XVI lauds Guardini's work as providing a full understanding of the Son of God, away from the prejudice that rationality engenders. Put long-held myths aside and discover the entire truth about God's only begotten Son.

## Confession of a Catholic Worker

### Our Current Moment of Christian Witness

#### Larry S. Chapp

For Larry Chapp, crisis is always the norm of Christian existence. In a cold, dying world choked by greed, the Gospel calls for radical love and radical living according to the Sermon on the Mount.

**DVPP • 177 pp, Sewn Softcover, \$18.95**

Using the theology of **Hans Urs von Balthasar**, **Peter Maurin**, and **Dorothy Day**, Chapp argues that the real remedy to the disease of sin is not niceness, not political liberation, not fancy liturgical dress, not technical rigor, but a free decision to live totally and joyfully in Jesus Christ, without compromise.

## The Divine Project

### Reflections on Creation and the Church

#### Joseph Ratzinger (Benedict XVI)

It took nearly thirty years for a forgotten box of cassette tapes, mislaid in an abbey in Austria, to be brought to light. On these tapes, recorded in 1985, the voice of Joseph Ratzinger (Pope Benedict XVI) walks his listeners through the thick terrain

of contemporary theology. Now, after decades, these lectures have been dusted off, transcribed, and published.

*The Divine Project* is a study of God the Creator and of man as this Creator's masterpiece. "Ratzinger", as Professor Matthew Levering writes, "guides us through the most difficult domains of modern theology and modern life."

"I could not put the text down. A most welcome antidote to much of the inauthenticity that surrounds us in our culture and in the Church. Every essay is like a smack in the face for the spiritually somnambulant and a bracing drink for those in a spiritual desert."

— **Larry Chapp**, Author,  
*Confession of a Catholic Worker*

## The Dazzling Light of God

### A Madeleine Delbrêl Reader

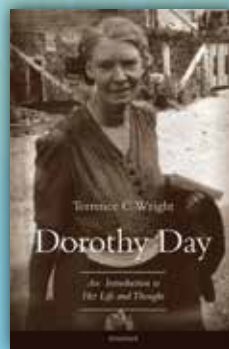

"Everything is so beautiful when we look at it with a little love," wrote the French social worker and poet Madeleine Delbrêl (1904–1964), whom the Vatican named Venerable in 2018.

Through the convulsions of the twentieth century, she made her home in one of the most brutal towns of Europe—the Communist-run Parisian suburb of Ivry. But to her shock, she saw the dazzling light of God everywhere she looked. Gathered in this book are buds of wisdom from across the writings of Madeleine Delbrêl, who believed that Christian joy is possible—indeed necessary—in the bleakest settings. God can never abandon the world he loves.

"We, the ordinary people of the streets, believe with all our might that this street, that this world where God has placed us, is, for us, the site of our holiness."

Delbrêl's luminous reflections on Christ, man, and everyday life tap into the depths of divine mystery yet shine with the simplicity of a child. If we read them carefully, we might finally become the saints we're called to be.

## Dorothy Day

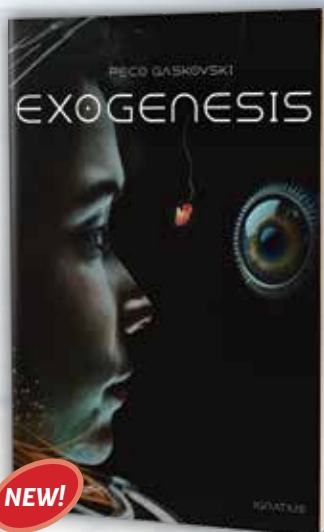

### An Introduction to Her Life and Thought

#### Terence Wright

Drawing heavily from Dorothy Day's own writings, this book reveals her love for Scripture, the sacraments, and the magisterial teaching of the Church. The author explores her philosophy and spirituality, including her devotion to Saints Francis, Benedict, and Thérèse. He also shows how her understanding of the Mystical Body of Christ led to some of her more controversial positions such as pacifism.

## Exogenesis Peco Gaskovski

Out of the collapse of Old America rises Lantua, a glittering thousand-mile metropolis where drones patrol the sky and AI algorithms reward social behavior. The most compliant citizens enjoy the greatest privileges, the poorest struggle to rise up the echelon system, and criminals are subjected to brain modification. Birthing and genetic quality are controlled through mass embryonic selection, with fetuses grown outside the body in artificial wombs—a technology known as exogenesis.

But rebellion is brewing.

Lantua struggles to control the Benedites, a rural religious people who refuse to obey one-child regulations. Each February, Field Commander Maelin Kivela oversees the forced sterilization of Benedite teenagers, a duty she carries out with unflinching zeal—but this year comes with a shock. After escaping an ambush by insurgents, Maelin returns to the city to choose one of over three hundred embryos to be her child, only to come face to face with a secret that will tear her life apart and alter the course of her civilization.

A long time ago, in the land of

Canaan, there lived a giant known as Reprobis. Because he was so big and strong, Reprobis wished to serve the greatest and most powerful king in all the world. So he set off to find him . . .” For hundreds of years Catholics honored Christopher as the patron saint of travelers. But when he came to be seen as more mythical than historical, the Church discouraged devotion to him. ## Numbering My Days **E** How the Liturgical Calendar Rearranged My Life

**Chene Heady**

Chene Heady was a believing Catholic whose daily concerns were shaped primarily by forces other than his faith—career demands, financial decisions, scheduling conflicts, etc. He worked long hours and had limited interaction with his family. He was the typical overextended and anonymous modern Catholic man.

Then he tried an experiment that dramatically rearranged his life. After reading about the importance of the Church's liturgical year, Heady took up the challenge to live as though the Church's calendar, not the secular one, stood at the center of his life. Every day for a year, he observed the Church's seasons and feasts, and meditated on the Church's daily readings. As he did so, he found that his life, and his relationships, became more meaningful and fruitful.
