Abortion Pill Reversal **E**

A Second Chance at Choice

George Delgado, M.D.

THIS POWERFUL, timely work is written by a pioneer of the game-changing treatment that allows women who've started the chemical abortion process to reverse and stop the very abortion they initiated.

Dr. George Delgado gives us an inside look at how and why he started the Abortion Pill Reversal (APR) Network, with stories about the challenges and pitfalls along the way.

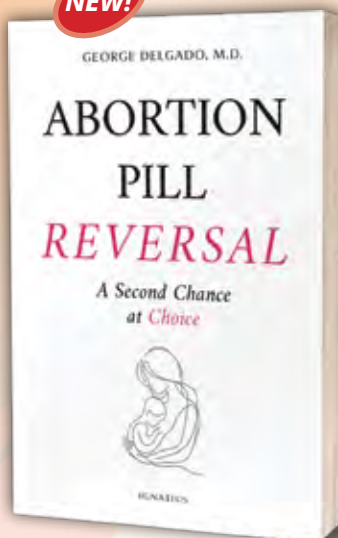

He presents a collection of personal accounts by women who attempted the reversal of their chemical abortions. He also gives the personal account of the doctor who performed the very first documented reversal, as well as moving testimonies of three APR hotline nurses.

The timeliness of the book cannot be overstated. As the percentage of chemical abortions

can reverse their chemical abortions. APR has been strongly persecuted, while the abortion drug mifepristone (RU-486) was rushed through the approval process at FDA with regulations and laws being violated along the way.

How I Helped the Sexual Revolution Hijack the Women's Movement

Sue Ellen Browder

Contraception and abortion were not originally part of the 1960s women's movement. How did the women's movement, which fought for equal opportunity for women, and the sexual revolution, which reduced women to ambitious sex objects, become so united? In *Subverted*, Sue Ellen Browder documents for the first time how it all happened, in her own life and in the life of an entire country.

The Shattering of Loneliness

On Christian Remembrance

Bishop Erik Varden

NO VOICE is more insidious than the one that whispers in our ear: "You are irredeemably alone, no light will pierce your darkness." The fundamental statement of Christianity is to convict that voice of lying. The Christian condition unfolds within the certainty that ultimate reality, the source of all that is, is a personal reality of communion, no metaphysical abstraction.

Scripture repeatedly exhorts us to "remember". The remembrance enjoined is partly introspective and existential, partly historical, for the God who took flesh to redeem our loneliness leaves traces in history. This book examines six facets of Christian remembrance, complementing biblical exegesis with readings from literature, ancient and modern. It aims to be an essay in theology. At the same time, it proposes a grounded reflection on what it means to be a human being.

The Shock of Holiness *Finding the Romance of Everyday Life* E

Michael Pakaluk

A COLLECTION of ingenious, thought-provoking essays demonstrating the wonder and intellectual interest of Catholic doctrine and life, and the truth of the Catholic faith. It's being true is what makes it so marvellous and capable of surprising and shocking us.

Pakaluk shows how the Catholic faith is a treasure chest from which there comes forth things both new and old, as Scripture says, "Behold, I make all things new." And because we worship the Logos—not only the Word—but also Reason.

In connection with the theme of saints and

NEW!

holiness, he offers a group of beautiful essays about the Holy Family, with novel insights into Mary's role in salvation history and the profound relationship between Mary and Joseph.

And what about sex and marriage? Almost nothing so straightforward has been made so problematic in our time. Perhaps the fact that the author has raised two families and has fifteen children, while being a trained philosopher,

familiar with theology, and practicing the faith, puts him in a unique position to write solidly, honesty, and edifyingly about these things.

“How fitting that the man who taught us the power of silence should teach us the meaning of music. The Book of Revelation shows us that both music and silence are essential to worship in heaven. In these pages we learn how the Church on earth participates in that transcendent reality.”

The Song of the Lamb *Sacred Music and the Heavenly Liturgy* E

Cardinal Robert Sarah with Peter Carter

THIS INSIGHTFUL WORK is an in-depth conversation between a leading Church figure and a church musician on the Catholic Church's tradition of sacred music, and its relevance and applicability for today.

Cardinal Sarah speaks eloquently of the often-misunderstood nature of the liturgy, which is foundational to appreciating the artistic and musical culture surrounding the liturgy that has developed over centuries. Vatican II states that the liturgy is the “source and summit of the Christian life”, and the prayerful participation of the faithful in the liturgy is integral

in every authentic form of spirituality. Attention is also given to the Vatican Council's call for the restoration of parish celebrations of the Divine Office, particularly that of Sunday Vespers.

Through the liturgy, the Church invites all the faithful to participate in the life of Christ and the mystery of salvation—to “put on Christ” as St. Paul commends us. It is through this process of spiritual renewal, this participation in the “beauty of holiness”, that the beauty of Christ

can be reflected in the art and music of the sacred liturgy, and bear witness to the world of the beauty of salvation in Christ.

Your Eucharistic Identity E

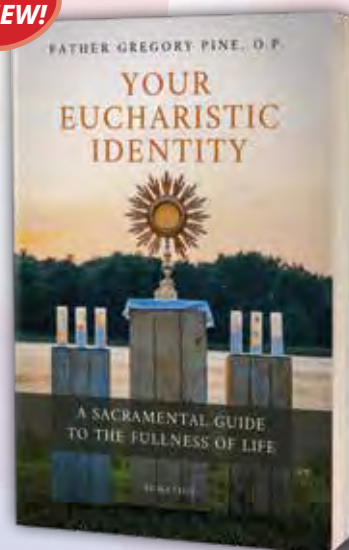

A Sacramental Guide to the Fullness of Life

Fr. Gregory Pine, O.P.

THIS BOOK FOCUSES on the powerful symbolic value of the Eucharist as a key to life. The sacraments are signs, or symbols, of sacred things that make us holy. Sacraments aren't just mere symbols but are symbols of a most powerful sort.

Beginning with a theology of creation, and its purpose of our sharing in the divine life of the Holy Trinity, the book treats the means that God appoints to this sharing, faith and sacraments, and how we are to approach the sacraments to intend worship and attend to the signs. It sets forward the principal signs of the Eucharistic liturgy that refer us to the realities God intends for our salvation.

The bread and wine are signs of nourishment that gives us access to charity—the substance of Christian perfection—which the Eucharist bestows in such abundance.

“Fr. Pine is a good shepherd, who knows and loves the sheep, and feeds the sheep so eloquently and practically with the love and truth of the Good Shepherd. His book elevates the intellect and nourishes the soul with the truth of who we are as a Eucharistic people. It's a great resource for study and prayer.”

— **Fr. Mark-Mary Ames, CFR**, Host of *The Rosary in a Year* Podcast

Fr. Pine shows how the making of the bread and wine are signs of the union of the mystical body, and in the Eucharistic worship we discover our unique place in that body. Finally, we learn various important ways to apply the insights from the book to our life of Eucharistic worship, receiving a richer partaking in the divine life to become the saints God wills us to be.

“Intricate and fast-paced. *Earth Dragon Run* provides a fascinating window into the alarmingly real world of animal trafficking, totalitarianism, and the deepest conflicts of the human heart.”

— **Eleanor Bourg Nicholson**, Author, *A Bloody Habit* and *Brother Wolf*

JOBLESS, FRIENDLESS, RESTLESS and adrift, ex-librarian Daniel Quirk knows he needs a change. Off-again, on-again (at best) in his Catholic faith, he makes an impulse-stop at a church that leads to a flash decision: leave the States and make a new life overseas.

He finds work at an animal refuge in South Africa, where he meets fellow volunteer Zhang “Minnie” Meixing, who’s devoted to protecting the endangered “earth dragon” pangolins that are her special love. But Quirk discovers Minnie is hiding from her past. The Communist Party in China has announced

a cash bounty for her capture. When her animal rescue efforts threaten to reveal the Party’s involvement in a network of clandestine enterprises—from wildlife poaching to human trafficking to cyberscams—the authorities decide to do what is needed to keep all this secret: abduct Minnie and the animal she loves best.

As urgent and timely as tomorrow’s headlines, *Earth Dragon Run* propels us from San Francisco to the African bushveldt, from Hong Kong to

Vietnam and on to a confrontation amid the jungle ruins of ancient Angkor.

Renowned Chesterton scholar Dale Ahlquist presents a unique retelling of Chesterton's life in Chesterton's own words, drawn from hundreds of sources—including material that has not been seen for over a hundred years—and edited into a narrative. Ahlquist has used bits and pieces, sentences and paragraphs, even poems, to allow the Prince of Paradox, while talking about something else, to give many revealing glimpses of himself. Although Chesterton penned an autobiography at the end of his life, he mostly wrote about other people. Here, finally, is the person he

Reflections on Literature and Manhood | Joseph Pearce

ORIGINALLY commissioned by the pioneering Catholic men's organization, Exodus 90, the brief literary reflections in this volume by the acclaimed literary writer Pearce reveal how great literature can show us who we are, and what it is to be fully human and truly masculine. In a culture of death that fosters toxic masculinity and effeminacy, it is more important than ever that a vision of true manhood is understood and embraced.

Drawing on luminaries such as **Homer, Dante, St. John Henry Newman, Chesterton, Tolkien, and C. S. Lewis**, Pearce shows that

The many great books he reflects on for the benefit of men include *The Odyssey, The Aeneid, Beowulf, The Divine Comedy, Hamlet, Brideshead Revisited, The Hobbit, Chronicles of Narnia, and The Ball and Cross*. Some of the classic works of poetry he comments on for men's inspiration include *The Hound of Heaven, God's Grandeur, Twelfth Night,*

The Great Gatsby is not only one of the greatest American novels but also one of the most perplexing. Is its theme a view of the American Dream as the masculine drive to pursue wealth, status, and sensual gratification—and the consequences of that pursuit? Or is there more to this modern literary classic? Something deeper? Is *The Great Gatsby* a cautionary tale? Many great questions asked by the novel are in need of answers. Such answers are offered or at least suggested by the essays that accompany this edition.

IN THE 25 YEARS since its publication, Joseph Ratzinger's masterwork *The Spirit of the Liturgy* has inspired a generational turn toward greater solemnity, beauty, and reverence in the celebration of the Mass. Be inspired by the words of the man who would become Pope Benedict XVI, and explore these other resources to bring more depth to the experience of worship.

The Spirit of the Liturgy Commemorative Edition E A

**Joseph Ratzinger
(Benedict XVI)**
**Foreword by Robert
Cardinal Sarah**

CONSIDERED BY Ratzinger devotees as one of his greatest works, this profound and beautifully written treatment of the liturgy will help readers to deepen their understanding of the "great prayer of the Church". The cardinal discusses fundamental misunderstandings of the Second Vatican Council's intentions for liturgical renewal, especially about

the priest's orientation of prayer to the Father, the placement of the tabernacle in churches, and the posture of kneeling.

This edition includes the earlier classic work with the same title by Servant of God Romano Guardini, a book that helped Ratzinger to "rediscover the liturgy in all its beauty, hidden wealth and time-transcending grandeur, to see it as the animating center of the Church, the very center of Christian life".

“The Church emerged from the Jewish people in the first century, but in our own times Jews who belong to the Church are celebrating their Jewish identity. This is a fascinating exploration of what this means for both Catholics and Jews.”

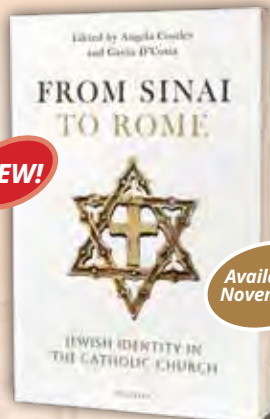

— **Cardinal Pierbattista Pizzaballa**, Latin patriarch of Jerusalem

From Sinai to Rome Jewish Identity in the Catholic Church E

Edited by **Angela Costley and Gavin D'Costa**

CAN YOU BE a Jewish Catholic? At first glance, the idea could seem scandalous. Catholics affirm that Jesus is the Messiah; Jews do not. Jews hold that the Torah's precepts should be diligently kept; Catholic Christians hold that Christ has fulfilled the Law. Can they really be reconciled?

This essential collection examines the question of Jewish-Catholic relations from

every angle. With contributions from some of the Church's brightest theological minds—**Scott Hahn, Brant Pitre, Bruce Marshall, Roy Schoeman, Robert Fastiggi, Lawrence Feingold, Fr. Antoine Levy, Fr. David Neuhaus, Angela Costley, Gavin D'Costa, and Elias Friedman**—it probes the possibility of Hebrew Catholicism, nurturing its Old Covenant roots from within the Church.

Introduction by **Bishop Erik Varden**

IDA FRIEDERIKE GÖRRES was one of the brightest, most penetrating Catholic writers in twentieth-century Europe. Bishop Erik Varden has called her “a treasure we should again make our own”, while Joseph Ratzinger (Pope Benedict XVI), at her funeral, labeled her a “brave and faithful woman”, with “an insightful certainty . . . about the pressing questions and tasks of the Church today”. Yet her work is almost entirely

unknown in the English-speaking world today.

The time has come to discover Ida Görres. This collection of vibrant, piercing, often hilarious essays were written in the tumultuous years surrounding Vatican II, when “demolition troops” bent on destruction mingled with saints like Karol Wojtyła. Rising out of this confusion, Görres, with her colorful style, reveals the raw, majestic splendor of the Catholic Church, which is more craggy, complex, and solid than any Alpine mountain.

When Hitler Took Austria

A Memoir of Heroic Faith by the Chancellor's Son

Kurt and Janet Von Schuschnigg

In March 12, 1938, German troops marched into Austria as Adolf Hitler prepared to annex the country. Austrian Chancellor Kurt von Schuschnigg, who had opposed the Nazi take-over of his homeland, was placed under house arrest and subsequently sent with his wife to Sachsenhausen concentration camp. This is the gripping story of von Schuschnigg and his family as told by his son, who came of age during these dramatic events. His memoir is a tribute to the faith, hope and perseverance of his family and the many people who took great risks in order to help them survive Nazi rule and the Second World War.

Before the Dawn

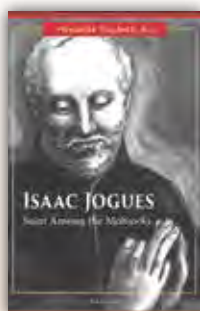

Autobiographical Reflections by Eugenio Zolli, Former Chief Rabbi of Rome

This is the remarkable and inspiring story of how the famous and revered Chief Rabbi of Rome,

Israel Zolli, became a Christian and entered the Catholic Church after World War II. This classic work outlines the spiritual journey of Rabbi Zolli, through prayer, Scripture meditation and lived experience, from devout Judaism to Catholicism, and it stands as a wonderful testament to the spirit of man which is always restless until it rests fully in Christ Jesus. He did not abandon his Jewish heritage, but says he discovered the fullness of what God offered in Jesus and His Church. Zolli took the Christian name of Eugenio to honor Pope Pius XII (Eugenio was his baptismal name) for all he did to save Jews during WWII.

Letter to the Future **A Novel | Michael D. O'Brien**

IN *LETTER TO THE FUTURE*, bestselling novelist Michael O'Brien returns to the theme of people of faith striving to find their way through a condition of societal collapse during the rise of new dimensions of totalitarianism.

In this fictional scenario, set in the near future, all of North America is plunged into a maximum crisis as basic communications and other services suddenly and inexplicably fail. As the tension mounts, this disparate group of people come together from several directions, apparently by

coincidence, many of them strangers to each other, some of them very young, whom their rescuers call "our pied piper children."

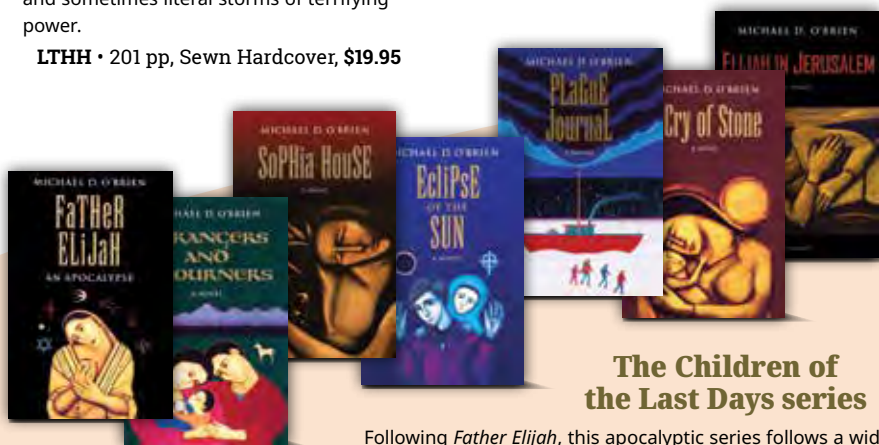

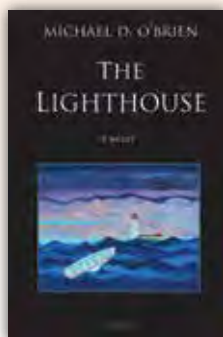

Moved by grace and dreams, they leave behind all securities and endure numerous alarming trials as they follow the thread of inspiration, seeking refuge in the mountains of British Columbia. Their choice to proceed in blind faith will bring about unforeseen consequences that are fully revealed only in the distant future.

Saints A Family Story

John and Catherine Cavadini
Illustrated by Anastassia Cassady

Treasure this beautifully illustrated collection of the Stories of the Saints by father and daughter writing team, John and Catherine Cavadini, with stunning portraits by Anastassia Cassady.

Through the stories of these saints, we receive new brothers and sisters, mothers and fathers, grandmothers and grandfathers in the faith. Each person's life tells the "story" of God's love in a specific and purposeful way. The vibrantly illustrated portraits bring these saints

to life through shape and color, capturing their unique personality and diversity among the magnificent and beautiful "family of saints."

The stories begin with **Pope St. John Paul II** because he called the Church today to sanctify by giving us the gift of more and more saints.

The stories then move chronologically, from stories of Saints in the Gospels like **Saint Joseph** and **Saint Anna**, to Saints of the Early Church like **Saints Ignatius, Monica, Augustine, and Genevieve**, to Saints of the Medieval Period like **Saints Francis, Joan of Arc, and Juan Diego**, and to more Modern Saints, like **Maximilian Kolbe, Dorothy Day, and St. Teresa of Calcutta**.
