Magnifica Humanitas (Magnificent Humanity)

On Safeguarding the Human Person in the Time of Artificial Intelligence

Pope Leo XIV

MAGNIFICA HUMANITAS, Pope Leo XIV's first encyclical, speaks directly to one of the most urgent questions of our time: What does it mean to remain fully human in the age of artificial intelligence? With pastoral depth, the first American pope offers a compelling Christian response to the rise of digital technocracy and power, showing how faith, reason, and the rich tradition of Catholic social teaching can guide society through rapid technological change.

Drawing on Scripture, Church history, and the Social Doctrine of the modern papacy,

Leo XIV explores how AI is reshaping work, education, family life, politics, warfare, and public truth. Both intellectually

substantial and accessible to
