

IGNATIUS CRITICAL EDITIONS FEATURES

Ignatius Critical Editions feature the editorial and critical work of accomplished professors of literature and scholarly commentators.

Each book includes an extensive scholarly introduction and several essays of contemporary criticism. Many of the books also include essays of classic criticism by renowned, trusted critics of the past.

Ignatius Critical Editions also feature detailed, updated annota-

tion. While the explanatory notes in many older critical editions can often frustrate readers, the annotation in the Ignatius Critical Editions is comprehensive and understandable. Readers can enjoy clear, reliable explanations, written in straightforward, modern prose. Scholarly, readable, and attractive,

Ignatius Critical Editions are perfectly suited for teachers, students, and serious readers of every sort.

ICE STUDY GUIDES

ICE Study Guides are constructed to help the reader achieve a level of critical and literary appreciation befitting the works themselves. Ideally suited for students themselves and as a guide for teachers, the ICE Study Guides include the following features.

Introductions situate the reader in the work, historically and otherwise. **Summaries** give an overview of chapters and sections. **Key Moments and Themes** and **Points to Ponder** are addressed to train the students' careful attention to important parts and ideas in the text. **Text-level Questions** test the students' knowledge of the narrative. **Higher-level Questions** test the students' ability to discern themes and correlations in the work itself, and their ability to critically evaluate these in terms of literary merit and wider significance.

IGNATIUS CRITICAL EDITIONS

The Ignatius Critical Editions

provide a scholarly presentation and insight into classical works of literature based on their historical context without a reinterpretation or imposition of modern ideologies. Understand these great books as their authors intended.

Edited by acclaimed literary biographer Joseph Pearce, the *Ignatius Critical Editions* ensure that traditional moral readings of the works are given prominence, instead of “politically correct” readings, which often dominate other series of classic works.

Ignatius Critical Editions enable educators, students, and other lovers of good literature to buy editions of great works without having to “buy into” an ideological agenda.

The series is ideal for anyone wishing to understand the great works of Western civilization, enabling the modern reader to enjoy these classics in the company of some of the finest teachers of literature alive today.

Ignatius Critical Editions • Edited by Joseph Pearce

“Tradition is the extension of Democracy through time; it is the proxy of the dead and the enfranchisement of the unborn. Tradition may be defined as the extension of the franchise. Tradition means giving votes to the most obscure of all classes, our ancestors. It is the democracy of the dead. Tradition refuses to submit to the small and arrogant oligarchy of those who merely happen to be walking about. All democrats object to men being disqualified by the accident of birth; tradition objects to their being disqualified by the accident of death. Democracy tells us not to neglect a good man's opinion, even if he is our groom; tradition asks us not to neglect a good man's opinion, even if he is our father. I, at any rate, cannot separate the two ideas of democracy and tradition.” — **G. K. Chesterton**

AMERICAN CLASSICS

Adventures of Huckleberry Finn by Mark Twain

7HFP...414 pp, \$9.95
Study Guide: 7Hfsp...32 pp, \$3.95

Moby Dick by Herman Melville

7MDP...725 pp, \$11.95
Study Guide: 7MDSP...48 pp, \$3.95

The Red Badge of Courage by Stephen Crane. Crane described his novel as a “psychological portrait of fear.” His realistic narrative is based on stories told by Civil War veterans. In a sense, modern American fiction begins with Crane’s masterful, impressionistic depiction of Private Henry Fleming under fire.

7RBCP...296 pp, \$7.95
Study Guide: 7RBCSP...32 pp, \$3.95

The Scarlet Letter by Nathaniel Hawthorne

7SLP...309 pp, \$7.95
Study Guide: 7LSLP...32 pp, \$3.95

Uncle Tom’s Cabin by Harriet Beecher Stowe. First published in 1852, this monumental work is now being reexamined by critics, scholars, and students. Stowe’s Tom is American literature’s first black hero, a man who suffers for refusing to obey his oppressors. *Uncle Tom’s Cabin* is a living, relevant story about the cruelest forms of injustice and the courage it takes to fight them.

7UTCP...689 pp, \$11.95
Study Guide: 7UTCSP...32 pp, \$3.95

JANE AUSTEN

Mansfield Park. This novel about ordination and family delves into questions of the upbringing of children, of conservative values, of parental authority, of the place of romantic love, of the tension between propriety and sophistication, and of the dangers of undue familiarity outside the family circle. It unerringly displays the depth of Austen’s wisdom, especially in her understanding of the spiritual, psychological, and cultural complexities of morality.

7MPP...591 pp, \$11.95
Study Guide: 7MPSP...32 pp, \$3.95

Pride and Prejudice. This is arguably the finest, and certainly the most popular, of Austen’s novels. However, its profound Christian morality is all too often missed or wilfully overlooked by today’s (post)modern critics. Yet Austen saw the follies and foibles of human nature, and the frictions and fidelities of family life, with an incisive eye that penetrates to the very heart of the human condition.

7PMP...439 pp, \$9.95
Study Guide: 7PPSP...32 pp, \$3.95

Sense and Sensibility. Through her deft unraveling of the dramatically different romantic fates of Elinor and Marianne Dashwood, Austen displays her mastery of the English language and an equally masterful invention of colorful, realistic characters. The author’s appreciation of what it is to be human, grounded in her deeply convicted Christianity, illuminates the tale with special wisdom.

7SSP...496 pp, \$11.95
Study Guide: 7LGSP...32 pp, \$3.95

CHARLOTTE BRONTE

Jane Eyre. One of the finest novels ever written, this is also one of the most misunderstood masterpieces of world literature. This critical edition emphasizes the semi-autobiographical dimension of the novel, exposing feminist critiques of the work as being woefully awry and illustrating Brontë’s belief in the hard-earned, hard-learned blessings of sanctity and reverence.

7JEP...672 pp, \$11.95

EMILY BRONTE

Wuthering Heights. This is one of the classic novels of nineteenth-century romanticism. What was Emily Brontë’s intention? Were they iconoclastic? Were they feminist? Were they Christian or post-Christian? Who are the heroes and the villains? This critical edition includes new and controversial critical essays by some of the leading lights in contemporary literary scholarship.

7WHP...445 pp, \$9.95
Study Guide: 7WHSP...32 pp, \$3.95

CHARLES DICKENS

A Tale of Two Cities. Set during the French Revolution, this classic novel expresses sympathy for the downtrodden poor and their outrage at the self-indulgent aristocracy. But Dickens is no friend of the vengeful mob storming the Bastille and cheering the guillotine; his passion is for the unforgettable individuals he creates.

7TTCP...536 pp, \$11.95
Study Guide: 7TTCSP...32 pp, \$3.95

Great Expectations. True charity permeates Dickens’ novels and ultimately drives the characters either to choose regeneration or risk disintegration. Pip—symbolic of the pilgrim convert—gains both improved fortunes and a growth in wisdom, but as he acquires the latter, he must relinquish the former. As we travel with Pip, we find that Dickens leads us to an acceptance of worldly limitations and an anticipation of final salvation.

7GEP...711 pp, 11.95
Study Guide: 7GESp...32 pp, \$3.95

JOHN HENRY NEWMAN

Loss and Gain. This novel about a young man’s intellectual and spiritual development was the first work St. John Henry Newman wrote after entering the Catholic Church in 1845. It describes the questions and doubts Charles Reding experiences while attending Oxford. Newman wrote this autobiographical novel to illustrate his own reasons for embracing Catholicism.

7LGP...432 pp, \$9.95
Study Guide: 7LGSP...32 pp, \$3.95

ROMANTIC POETS

Blake, Wordsworth, and Coleridge. In this volume the finest works of the first generation of Romantic Poets—William Blake, William Wordsworth, and Samuel Taylor Coleridge—are assembled in an accessible and yet scholarly manner, together with a selection of contemporary criticism by tradition-oriented experts, in order to introduce these poets to a new generation of readers.

7RPP...528 pp, \$11.95

MARY SHELLEY

Frankenstein. This is among the most influential and controversial novels of the nineteenth century; it is also one of the most misunderstood and misinterpreted. This critical edition contains tradition-oriented essays by literary scholars that serve as an antidote to the poison that has contaminated the critical understanding of this classic gothic novel.

7FP...275 pp, \$8.95
Study Guide: 7FSP...40 pp, \$3.95

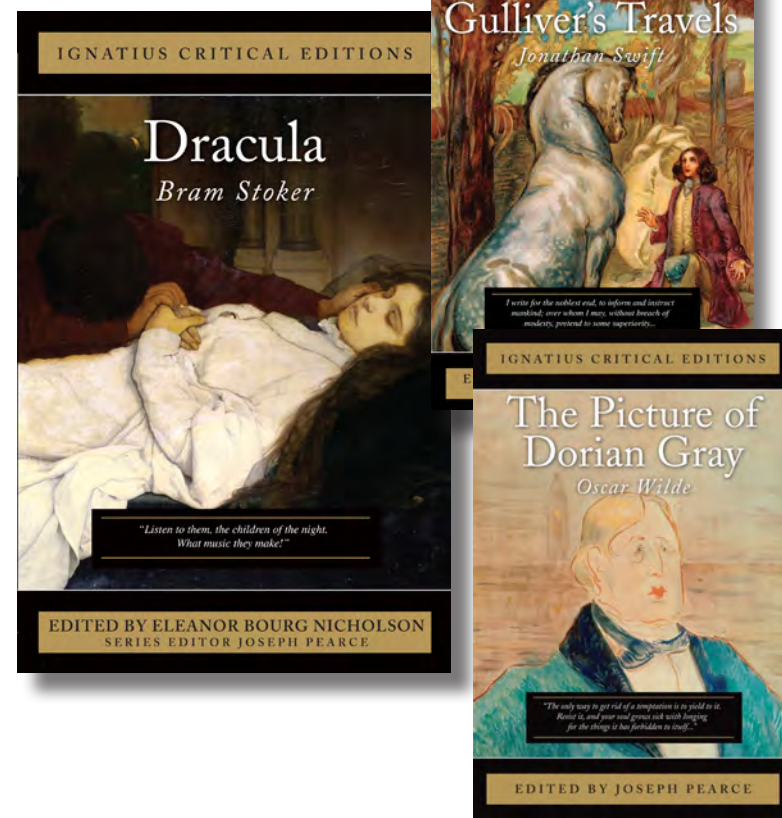

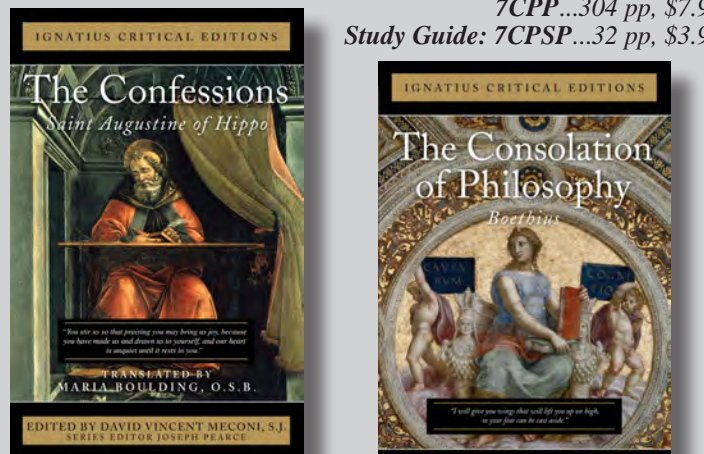

PHILOSOPHICAL CLASSICS

Confessions by Saint Augustine of Hippo

7CP...522 pp, \$14.95
Study Guide: 7CSP...47 pp, \$3.95

The Consolation of Philosophy by Boethius. Boethius composed one of the most popular and influential works of the Middle Ages while awaiting the death sentence for treason in prison. In *the Consolation*, Boethius explores the true end of life—knowledge of God—through a conversation with Lady Philosophy. Part prose, part poetry, the work combines Greek philosophy and Christian faith to formulate answers to some of life’s most difficult and enduring questions.

7CPP...304 pp, \$7.95
Study Guide: 7CPSp...32 pp, \$3.95

BRAM STOKER

Dracula. Often vacillating wildly between the terrible and the comic, *Dracula* at the same time brings to life a host of compelling themes: tensions between antiquity and modernity; the powers and limitations of technology; the critical importance of feminine virtue; the difference between superstition and religion; the nature of evil; and, perhaps most compellingly, the complex relationship between ancient faith and scientific enlightenment.

7DP...592 pp, \$11.95
Study Guide: 7DSP...32 pp, \$3.95

JONATHAN SWIFT

Gulliver’s Travels. This is one of the greatest satirical works ever written. Through the misadventures of Lemuel Gulliver, Swift exposes many of the follies of the English Enlightenment, from its worship of science to its neglect of traditional philosophy and theology. Swift’s satire on the threats posed by the Enlightenment makes this priceless reading for today’s defenders of tradition.

7GTP...451 pp, \$9.95
Study Guide: 7GTSP...32 pp, 3.95

OSCAR WILDE

The Picture of Dorian Gray. In true Faustian tradition this novel tells the tale of a young man who sells his soul to the devil in return for youthful immortality, only to discover that the “devil’s bargain” is no bargain at all. “What does it profit a man if he gain the whole world and lose his own soul?” When Dorian Gray is asked this question he knows the answer. He has learned his lesson the hard way and has destroyed the lives of others into the bargain.
