“Gritty, nuanced, and beautifully told, *Our Lady of the Sign* is an unsparing, philosophical novel in which good and evil wage war within a modern-day agnostic woman. Abigail Favale’s maturity and deep spiritual insight are palpable on every page. This story deserves a wide audience.”

— **Rhonda Ortiz**, Novelist and Editor-in-chief of *Dappled Things*

“In this intensely psychological story Abigail Favale shows us, with great perception, the mind of her female protagonist. Over the course of just a few of her days we come to understand this character’s wounds, her past, her present, and see a spiritual sign for her future. A deliciously atmospheric, and occasionally spine-tingling, read.”

— **Sally Read**, Author, *Night’s Bright Darkness*

## Our Lady of the Sign A Novel | Abigail Favale

A HOT-SHOT college professor in her thirties, Simone has achieved everything she strived for, other than happiness. When her relationship with Peter becomes too serious for comfort, she drives to her frontier hometown to search for answers. Her little city, however, greets her with a blank stare. As she digs nervously through her own past, she uncovers a horrifying truth. Will she survive the coming storm?

*Our Lady of the Sign* is a haunting, evocative exploration of freedom and temptation, of the meaning of love, of the lies women tell, and the lies women have been told. It is a spiritual and psychological thriller that maps the darkest terrain of a woman’s soul—her capacities for reckless abandon and self-deception, but also for heroic love.

## The Shock of Holiness Finding the Romance of Daily Life Michael Pakaluk

A COLLECTION of ingenious, thought-provoking essays demonstrating the wonder and intellectual interest of Catholic doctrine and life, and the truth of the Catholic faith. It’s being true is what makes it so marvellous and capable of surprising and shocking us.

Pakaluk shows how the Catholic faith is a treasure chest from which there comes forth things both new and old, as Scripture says, “Behold, I make all things new.” And because we worship the Logos—not only the Word—but also Reason.

In connection with the theme of saints and holiness, he offers a group of beautiful essays about the Holy Family, with novel insights into Mary’s role in salvation history and the

“The Shock of Holiness beautifully conveys both the grandeur and the simplicity of sanctity.”

Episcopal Vicar for Clergy,  
Diocese of Arlington

profound relationship between Mary and Joseph.

And what about sex and marriage? Almost nothing so straightforward has been made so problematic in our time. Perhaps the fact that the author has raised two families and has fifteen children, while being a trained philosopher, familiar with theology, and practicing the faith, puts him in a unique position to write solidly,

honestly, and edifyingly about these things.

“The crisis of modern manhood stems, in part, from an impoverishment of imagination. Catholic men must set out on the adventure of rediscovering the meaning of masculinity. Pearce proves an able navigator through the stormy waters of passion faced by men with the help of the literary giants.”

## Great Books for Good Men

### *Reflections on Literature and Manhood* | Joseph Pearce

ORIGINALLY commissioned by the pioneering Catholic men's organization, Exodus 90, the brief literary reflections in this volume by the acclaimed literary writer Pearce reveals how great literature can show us who we are, and what it is to be fully human and truly masculine. In a culture of death that fosters toxic masculinity and effeminacy, it is more important than ever that a vision of true manhood is understood and embraced.

This book shows us how great literature can teach us priceless lessons by answering many crucial questions,

including: How did a saint, to be tortured and martyred, gain courage from the image of the crucified Lord? What does Shakespeare say about the dangers of lust? How must fathers be child-like but not childish in the raising of children? How should Christ be seen not merely as the lamb of God but as a Tiger or Lion who cannot be tamed? How does God pursue the sinner like a hunter or a hound of heaven? How can we see life not merely as a

journey but as a pilgrimage, an adventure and a quest for heaven?

## Your Eucharistic Identity

### *A Sacramental Guide to the Fullness of Life*

**Fr. Gregory Pine, O.P.**

THIS BOOK FOCUSES on the powerful symbolic value of the sacrament of the Eucharist as a key to life. The sacraments are signs, or symbols, of sacred things that make us holy. Sacraments aren't just mere symbols but are symbols of a most powerful sort.

Beginning with a theology of creation, and its purpose of our sharing in the divine life of the Holy Trinity, the book treats the means that God appoints to this sharing, faith and sacraments, and how we are to approach the sacraments to intend worship and attend to the signs. It sets forward the principal signs of the Eucharistic liturgy that refer us to the realities God intends for our salvation.

The bread and wine are signs of nourishment that gives us access to charity—the substance of Christian perfection—which the Eucharist bestows in such abundance.

**NEW!**

“Fr. Pine is a good shepherd, who knows and loves the sheep, and feeds the sheep so eloquently and practically with the love and truth of the Good Shepherd. His book elevates the intellect and nourishes the soul with the truth of who we are as a Eucharistic people. It's a great resource for study and prayer.”

— **Fr. Mark-Mary Ames, CFR**, Host of *The Rosary in a Year* Podcast

Fr. Pine shows how the making of the bread and wine are signs of the union of the mystical body, and in the Eucharistic worship we discover our unique place in that body. Finally, we learn various important ways to apply the insights from the book to our life of Eucharistic worship, receiving a richer partaking in the divine life to become the saints God wills us to be.

But unlike most other boys, he also loved going to Mass, and his deep concern for others was felt by everyone around him—including the poor, the brokenhearted, and even stray dogs.

A self-taught computer whiz, Carlo used his tech skills to serve the Church and to share his faith in Christ. He built websites for parishes, and he created an online exhibition to document Eucharistic miracles around the world.

At the age of fifteen, Carlo was diagnosed with an aggressive form of leukemia and died a week later on October 12, 2006. In 2018, a miracle was attributed to his intercession, and Pope Francis beatified him in 2020. He has become a shining example of faith, hope, and love, especially to young people.
