Making Sense Out of Suffering **E**

Peter Kreeft

PETER KREEFT PRESENTS a philosophical and spiritual exploration of the mystery of pain and suffering, offering insights for those seeking meaning in hardship through personal reflection and Christian theology. It is an insightful guide for those who have experienced seemingly pointless suffering, combining personal experience with wisdom to address the "why" question from a faith-based perspective.

This account of a real

and honest personal quest on the meaning of suffering is both engaging and convincing. Written from a deep well of wisdom derived from experience and careful observation, *Making Sense*

“A book of great clarity and comfort, and one that really makes a difference. This gives the real answer to the question why bad things happen to good people.”

— **William Kirk Kilpatrick,**
Author, *Psychological Seduction*

Out of Suffering is a book for all who are hungry for insight into the great mystery of suffering.

Distributed Like Bread **E**

Hans Urs von Balthasar on Discernment, Vocation, and the Priesthood

Jonathan Ciraulo

THEOLOGIAN Hans Urs von Balthasar (1905-1988) was one of the most important Catholic voices of the twentieth century. In his view, a priest is called to imitate the Eucharistic Christ, who gives himself with abandon for the life of the world. He should aspire to be as common and as humble as bread, available to be blessed, broken, and distributed. Through his availability, God Himself becomes present to the world and the world becomes present to God.

This concise book presents Balthasar's

theology of discernment and vocation in a way that responds to current questions regarding the viability of the priestly and religious vocations today. Balthasar offers indispensable resources for understanding the relationship between personal freedom and vocation, showing how one becomes a person precisely through the reception of a definitive mission, a mission that makes a person truly ecclesial and thus open to both God and to others.

Healing Wounds

Bishop Erik Varden

ARE WE HEALED through our wounds or are our wounds themselves healed from some other source?

In *Healing Wounds*, Erik Varden examines the New Testament where it spells out why Christ's wounds were efficacious for the healing of humankind. He contends that while this theological perspective is fundamental, it often falls short of addressing the emotional and spiritual needs of believers.

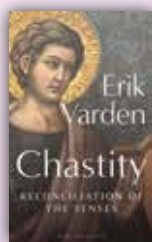

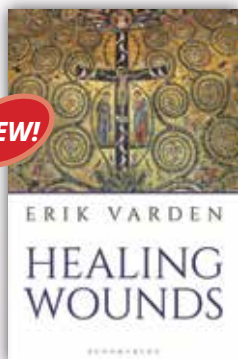

Structured to guide readers through a journey of reflection, beginning with the raw reality of suffering and moving toward the possibility of redemption and renewal. Varden employs a contemplative tone, inviting readers to sit with their own experiences of pain and consider how these might be transformed through faith and introspection.

Salvation Is From the Catholic Church

How Christ Uses the Church to Bring Us to Him | **Trent Horn**

HOW DO WE access Jesus' saving work? By what means, in our everyday lives, does God deliver us from sin and lead us to eternal life? Apologist Trent Horn offers a compelling Catholic answer: it is indeed Jesus who saves us, and he does

so through the instrument of the Church that he founded and ordained for that very purpose.

The Catholic Church extends to us everything that God has taught and provided for our salvation: true doctrine and morals, authentic

spiritual leadership and worship, and the visible signs by which the power of Christ's once-for-all sacrifice is made effective in our souls.

Salvation Is from the Catholic Church both de-mystifies the Christian life and shows how deep and rich it really is. God wants us to repent of our sins, receive Jesus in faith, and remain with him till death—and in the Catholic Church he has provided the means to do all three.

Mass Explained *An Illustrated Book on the Catholic Mass*

Dan Gonzalez

MASS EXPLAINED is a walk through the Eucharistic celebration from beginning to end. The book explores the Mass including the source of its prayers, the meaning of its postures, and the development of its vessels and vestments.

What sets *Mass Explained* apart from other titles, however, is its enlistment of the Church's vast inheritance of sacred art and architecture to help tell the story of the liturgy. Inside you'll also find a wealth of diagrams, maps, and charts that organize complex information into engaging and easy-to-understand infographics. In addition, hundreds of photographs capture beautiful, up-close images that clearly illustrate key points in the Mass.

NEW!

At the end of each of its 43 chapters, a chapter overview, 15 review questions and three questions for reflection and group discussion make *Mass Explained* ideal for use in the classroom, with a parish group, or on your own at home. It will renew faith, deepen devotion, and increase participation in the Holy Sacrifice of the Mass.

Grace and Healing in the Modern Medical Center

Robert Collins, M.D.

A LEADING ONCOLOGIST relates powerful true stories about God’s grace and healing in a major modern medical center. The book flows from the unfolding of faith in the life of an agnostic physician, to his increasing perception of God’s movement in the lives of his patients, and ultimately to his understanding medicine as a call to participation in the love of God.

Dr. Collins reveals how, in the midst of the seemingly cold, stark, machine-like medical center, God’s love is present. He is healing, in the profoundest sense. In

Abortion Pill Reversal ^E

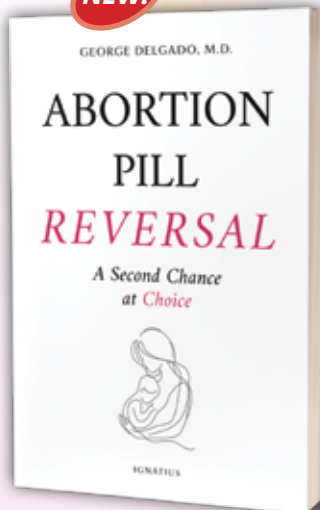

A Second Chance at Choice

George Delgado, M.D.

THIS POWERFUL, timely work is written by a pioneer of the game-changing treatment that allows women who’ve started the chemical abortion process to reverse and stop the very abortion they initiated.

Dr. George Delgado gives us an inside look at how and why he started the Abortion Pill Reversal (APR) Network, with stories about the challenges and pitfalls along the way.

He presents a collection of personal accounts by women who attempted the reversal of their chemical abortions. He also gives the personal account of the doctor who performed the very first documented reversal, as well as moving testimonies of three APR hotline nurses.

NEW!

“Dr. George Delgado, a pioneer of APR, shares the lies and scare tactics of the abortion industry as well as the heart-warming stories of heroic women who are pressured into bad decisions and end up saving their babies through Abortion Pill Reversal.”

— **Archbishop Salvatore Cordileone**,
Archdiocese of San Francisco

The timeliness of the book cannot be overstated. As the percentage of chemical abortions in the USA reaches to 70%, more women will be wondering if they can reverse their chemical

abortions. APR has been strongly persecuted, while the abortion drug mifepristone (RU-486) was rushed through the approval process at FDA with regulations and laws being violated along the way.

Introduction by Bishop
Erik Varden

Ida Friederike Görres was one of the brightest, most penetrating Catholic writers in twentieth-century Europe. Yet her work is almost entirely unknown in the English-speaking world today. The time has come to discover Ida Görres. This collection of vibrant, piercing, often hilarious

essays were written in the tumultuous years surrounding Vatican II, when “demolition troops” bent on destruction mingled with saints like Karol Wojtyla. Rising out of this confusion, Görres, with her colorful style, reveals the raw, majestic splendor of the Catholic Church, which is more craggy, complex, and solid than any Alpine mountain.

Your Eucharistic Identity

A Sacramental Guide to the Fullness of Life **E**

Fr. Gregory Pine, O.P.

The Eucharist is no mere symbol. It is the key to life. More specifically, it is the key to your very identity.

When we look carefully at the Blessed Sacrament, under the signs of bread and wine, we discover that we were made not simply to receive God, to be nourished by his gifts, or to draw close to him. In fact, “we were made to become Him.” In *Your Eucharistic Identity*, Father Gregory Pine shows that

Christ, through the Sacrament, divinizes us in our whole being.

But the Eucharist is not magic. We have to receive the gift of his Eucharistic presence, and preparing for such a great banquet requires time, work, and attention. To become like Christ, we must be ready to be given to others, in a free, radical gift of love.

Father Pine's sacramental guide to the fullness of life—at once thought-provoking and practical, ancient and new—offers Christians a simple, clear guide for their path.

In this groundbreaking book, Robert Cardinal Sarah, long-time prefect of the Vatican's Congregation for Divine Worship, joins with Peter Carter, director of the Catholic Sacred Music Project, to dive into the spiritually rich tradition of Catholic sacred music, tracing it from the Church's earliest days all the way through the Second Vatican Council and beyond. The cardinal minces no words in critiquing the liturgical confusion of our times, which has touched every corner of the Church.

Yet he returns always to the true center: not aesthetics, but the beautiful person of Christ Himself, God incarnate.

Cardinal Sarah's meditations on the liturgy—as the Second Vatican Council imagined it—offers a spiritual and practical roadmap to authentic renewal, including at the parish level. *The Song of the Lamb* will make readers fall more deeply in love with the Mass and with the Divine Office, and it will fan the flames of liturgical renewal.

Prayers for Catholic Men **E**

Mike Pacer

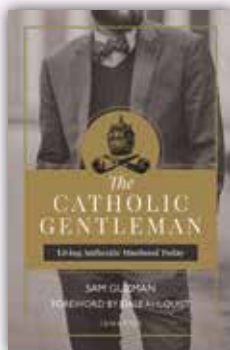

The beauty of *Prayers for Catholic Men* is its simple efficacy. The guide is written for every man at every moment of every day. Being a handy

pocketbook size, it is meant to travel with a man to work/school and home again. It shoots straight and does not pontificate. It is loving, but not “sappy.” It does not require the reader to be a theologian, but neither does it “talk-down” to its audience. It meets a man right where he is and helps bring him to where he wants to be.
